

Now is the time to update the First Baptist Church family database and phone directory!

Please take a moment to fill out this form and return it to the kiosk. All information will remain confidential with the exception of what you request to be published. If you supply your children's names they will be included in the phone directory under your listing. If you have more than 4 children please use a second sheet and attach it to the first. If you supply a birth date or anniversary please be sure to include the year. You may cross out any squares that are not applicable or that you do not want to include. By signing this form you are giving permission for your contact information (as indicated below) to be published from today's date forward. If you would like your contact information to be removed or updated in future phone directories you must submit a new form or written request. Please sign the bottom of the form.

Thank you very much for your help!
