Help the Wilsons Move!

The Wilson's current residence is 2482 Panorama Crescent. Take Foot-hills Blvd North to Highland drive. Turn right onto Highland Dr. Then the first right is Berwick Dr and another quick right onto Ridgeview Dr. Follow along Ridgeview for quite awhile to Panorama on the left. The Wilson's are the sixth house on the left. Their number is 778-415-8887.

Areas of Service:

Friday, April 30 — Provided supper to the Wilson family at their current residence of 2482 Panorama Cres. 10 people, no allergies.

Saturday, May 1 - 9:00 am meet at the Wilson's current residence (Panorama) to pack, load, provide trucks etc. & people to unload at the new residence at NLBC. Anyone who can't do heavy lifting will be needed on the Saturday to pack the kitchen and start doing some of the cleaning. NLBC will provide lunch for all moving volunteers. If you can't make it to the Panorama house by the time people have left for Ness Lake, then feel free to join us.

Here is a description of where the new home will be situated once at Camp. Go past the Welcome Centre down the road to the Dining Hall. As you come down the hill you will pass Founder's Cottage on the right and the gym on your right. The dining hall will be on the left and a road goes off to the right. Follow the road to the new house. We will aim to have a sawhorse there with a sign so it is very visible!

Sunday, May 2 - In the afternoon after Church, meet at the Wilson's Panorama home to clean.

Leading up to May 1 - 5 - people to provide meals and snacks for the family while in transition. Meals can be frozen. Provide for a family of 10. No allergies. Meals can be brought to First Baptist Church on Sunday, May 2 for the family to take home. So, if the moving date does not work for your schedule than perhaps the meal option may.

If there are any questions feel free to talk to Heather, Steve, or Monica Lizotte mlizotte_gg@yahoo.ca

Monthly Financial statements and the new budget are available at the kiosk.

Let's Move the Wilsons!

There is a new family to Prince George. Their names are Steve and Heather Wilson. Steve has been hired on in a newly created position as Director of Ness Lake Bible Camp. Volunteers from across North America have built a home for the Wilson's on the Camp site. Right now they are renting a home on the Hart and will be moving to the new home on Saturday, May 1st. It would be nice if we get enough trucks, trailers and such to only have to make one trip to Camp (25 min drive) and then unload there.

Welcome

If you are visiting with us this morning please note:

- A children's program is available during the service for infants to grade 5. From the front door turn right and follow the stairs down.
- We have a welcome package for you at the kiosk, please stop by before or after the service.
- An offering will be taken up during the service. As a guest please do not feel obligated to participate.
- Thank you for visiting with us!
