# Get a Life group

At First Baptist Church we want everyone to feel like they have a place to belong, a place to establish relationships, connect with others and share their life through the joyous times, the unbearable times and all the times in between. A life group can be a bible study, a service ministry, a prayer group or have a common interest like health and fitness, or a common ministry such as music. First Baptist Church has many different life groups available to join. Men, women, children, youth, young adults, young couples and groups that share common interests and always welcome new members. Take a look at the blue bulletin board or the website to find a life group you'd like to join.
